Adam,

Here's an example of the kind of stuff we're asked to be involved with on a regular basis.

I'd like to talk with you about this and other things when you have the time.

Maybe PARs or any other time too.

Thank you,

Andy

Subject: PFAS study discussion

Mark and Andy,

We put a few thoughts together to start the discussion on tomorrow's conference call (from 1-2). Take a look at the attached document and see what you think.

Let me know if you will be calling from one phone line (and I'll give you the one number of our conference call phone) or if you will be calling if from two numbers (and I will give you our conference call number and access code.

Thanks!

Sandra M. Goodrow, Ph.D.
